# Student Access to Learning Management

Logging In

1. Navigate to **lms.renweb.com** in your internet browser.

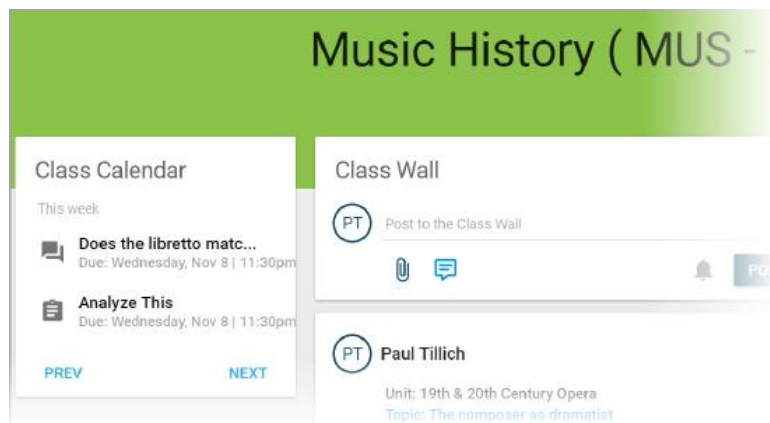

2. Enter your login credentials, the same login you use for Family Portal.
   - If you do not have a login, you may create one.
     - Navigate to factsmgt.com.
     - From the **Parent Log In** drop-down option, select **Family Portal Login**.
     - Click **Create New Family Portal Account**.
     - Enter the required information, then click **Create Account**.
     - Return to **lms.renweb.com** and log in.
3. Click **LOGIN**.
   The **Learning Management Classes** screen displays.

   - Select a class to access the class wall.

- Click ☰ (Menu) and select **Calendar** to see upcoming class work.

Notifications and Chat

Notifications and chat may be accessed from any screen in the LMS.

- Click 🔔 (Notifications) to display the notification list. You will receive notifications regarding school work and posts/ comments.

- Click 💬 (Chat) to display the chat list. You may chat with your teachers and other students. This feature may not be enabled for your classes.
